

WOW. Coming into the new year, we want to say THANK YOU to the generosity of the community that has supported ESCAPE in our work with youth who fall through the cracks of society. Among other things, your support has allowed us to host over 350 tutoring sessions since September, creatively coaching middle/high school students who are virtual, in-person, or expelled, to achieve above their circumstances.

THANK YOU to the *Holland/Zeeland Community Foundation Stabilization Grant*, its committee and contributors, whose commitment to education among the vulnerable equipped us to hire incredible tutoring staff and recruit volunteers to pursue youth most affected and isolated by the pandemic, especially virtual students and those on probation.

THANK YOU to the hundreds of people who have dropped off over **370,000 cans & bottles** at ESCAPE since May. Keep them coming!

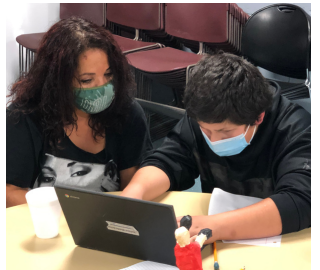

THANK YOU to the *"Bright Christmas"* donors who helped sponsor Christmas gifts and hope for 120 heroic people: 22 families and 38 students who didn't give up despite the challenges of the year.

THANK YOU to all the donors at year-end 2020, who collectively contributed more than ever before, helping us launch into Spring 2021 with the resources to see students through to grade completion and graduation as we grow in delight, kinship, and deep relationships together.

Keep the support coming! Your financial support makes a big difference. Additionally, we still need more mentors, tutors, office help, drivers, and more to further our impact in our community! Our contact info is below.

With gratitude and hope,
ESCAPE Ministries Staff and Board
